About Lift Orlando

Lift Orlando is a nonprofit that works with residents, business leaders, and community partners for neighborhood revitalization in The Communities of West Lakes, five historically African American neighborhoods surrounding Camping World Stadium in Orlando's 32805 ZIP code. ZIP code is the #1 predictor of life outcomes, and many in underinvested areas don't get a fair shot. Compared to other parts of Orlando, 32805 has less affordable housing, healthcare access points, grocery stores, restaurants and other assets that make healthy communities.

After influencing \$100 million in capital investments in eight years, we are "leveling the playing field" in one of Orlando's most distressed ZIP codes. In 2021, Florida Trend Magazine honored Lift Orlando its "Floridian of the Year." Our model for investing in "at-risk" communities is gaining momentum in many other cities around the country.
